*9. (a) If the views expressed by the Financial Secretary in any case, whether original or un-officially referred, are not accepted by the Member of Government in charge, or by the Dewan and Members of Council, as the case may be, the file containing the discussions shall be sent to the Financial Secretary a second time, in order to enable him, in cases in which he considers that the orders proposed to be issued are opposed to financial rules of Government or to recognised financial principles or for other reasons of a financial nature, are open to objection, to record a respectful representation to that effect, which will be placed by the Dewan before His Highness the Maharaja for consideration.

(b) All cases sent to the Financial Secretary under this rule should be treated as immediate and returned to the Department concerned within three days of receipt.

Submitted to His Highness.

The Inspector-General of Education has been repeatedly urging the need for some improvement in the pay of the two Circle Inspectors.

2. Under the orders of Government on the Education Memorandum the appointments of Deputy Inspector-General of Education on Rs.400-50-700 and of two Circle Inspectors on Rs.400-20-500 were to be replaced by three Circle Inspectors on Rs.500-25-700. Since then, as a result of the recommendations of the Special Finance Committee, the appointment of Deputy Inspector-General has been abolished and the whole work hitherto done by three superior officers of the department has now fallen on two.

3. When it was proposed that instead of two Circle Inspectors there should be two Deputy Inspectors-General, the recommendation of the Council was that these officers should be in the grade Rs.500-40-700; but the proposal to have Deputy Inspectors-General in the place of Circle Inspectors was dropped under His Highness' orders communicated in the Private Secretary's Confidential demi-official letter No.74 of the 20th October 1922. The question of improvement of the salary of the officers was therefore not pursued further.

4. In November last, the Inspector-General of Education submitted representations from the two Circle Inspectors for an improvement of their emoluments and strongly recommended that the pay of Circle Inspectors may be fixed at Rs.500-50-700.

5. The matter was considered in Council on the 23rd November last when a resolution was recorded that the two Circle Inspectors may be put in the grade Rs.500-25-700. The Financial Secretary having suggested that only one of the appointments need be in grade Rs.500-700 and the other may continue on Rs.400-500, the opinion of the Educational Adviser was called for. Dr.Seal, while agreeing that the proposed scale of pay of the Circle Inspectors did not err on the side of generosity, urged that until the pay of University Professors was raised, it

it was inexpedient to raise the pay of Circle Inspectors. On further consideration in Council, it was decided that the question of giving a higher grade to Circle Inspectors might be deferred till funds became available for a general re-organisation of the Education Department. These orders were communicated to the Inspector-General of Education in due course.

6. The Inspector-General has now again made representations both in person and in writing that the two officers, viz., Mr. D.Venkataramaiya and Dr. S.Paul Chinnappa may be given the maximum pay of their grade, viz., Rs.500.

7. The question was considered in Council on the 5th instant when the following resolution was recorded:-

> Pending re-organisation of the superior inspecting staff of the department, the present Circle Inspectors may be given the maximum pay in the sanctioned scale.

8. As explained by the Inspector-General, this involves only one advance increment in the case of Mr.Venkataramaiya who is now drawing Rs.480 and will become entitled to Rs.500 on the 1st July next. Dr.Paul Chinnappa has been drawing Rs.450 from 1st July last and will become entitled to his next increment from 1st July 1923. In his memorial enclosed with the Inspector-General's demi-official letter, he has pointed out that he was drawing a pay of Rs.450 as Principal of the Training College and that he was transferred on the same pay to an executive appointment necessitating the maintenance of a costly establishment which has resulted in his being actually out-of-pocket. One particular grievance of the Circle Inspectors that has been brought to my notice is that owing to recent orders in regard to travelling allowances, officers drawing less than Rs.500 are entitled to only second class railway accommodation and six annas mileage. The Circle Inspectors who have jurisdiction over four districts and have extensive touring to do, have to maintain (and are maintaining) motor cars for their touring and these rates of travelling allowances are altogether inadequate in their case. The proposal of the Inspector-General will have the effect incidentally of removing this grievance.

..9. Apart from this, also, there is every justification for giving a pay of Rs. 500 to both the Circle Inspectors as their work and responsibility have been greatly increased. It is hardly desirable to compare the pay of Circle Inspectors with that of University Professors, the work and prospects of the latter being altogether different from those of Circle Inspectors who are executive officers having to do a large amount of touring. The pay of the University Professors will have to be improved in due course, sooner or later, and it is likely that proposals in this behalf will be shortly sent up by the University authorities. The pay of Circle Inspectors will also have to be enhanced; but as mentioned above, the question has been deferred pending a general re-organization of the Education Department when more money becomes available.

10. The recommendation of the Council, which has been acquiesced in by the Financial Secretary, affords only a temporary relief, and may be graciously approved.

INSPECTOR-GENERAL OF EDUCATION,

C. B. 185-22-3

Dear sir,

With reference to my interview with you the other day re: the grant of the maximum pay in the grade 400-20-500 to the two Circle Inspectors - Mr. D. Venkataramaiya and Dr. S. Paul Chinnappa, I beg to submit that Mr. Venkataramaiya is now drawing Rs.480/- in the grade and will become entitled to Rs. 500/- from the 1st of July next. Similarly Dr. Chinnappa has been drawing Rs.450/- from 1st of July 1922 and will become entitled to his next increment from the 1st July next. I would beg to repeat my recommendation that both these officers may begiven the maximum of the grade viz. Rs.500/- immediately. In the case of Mr. D. Venkataramaiya this will only mean giving him the next increment a few months earlier, while in the case of Dr. Chinnappa giving an additional increment also and a little more. If this is deferred to lst of July next, Mr. Venkataramaiya would get his maximum in the usual course and the grant of a concession to Dr. Chinnappa alone might look a little invidious and might invite claims from some of the Professors in the University and so on. The grant of the maximum to both the officers immediately will be free from that objection to some extent and will also be more graceful.

I also beg to submit herewith a representation received from Dr. Paul Chinnappa in the matter for favour of consideration.

Yours sincerely,

C S Balasundaramayya

Albion Rajkumar Banerji, Esq., M.A., C.I.E., C.S.I.

From

Dr. S. P. Chinnappa,
Offg. Circle Inspector of Education,
Mysore.

To

K. Matthan, Esq., B.A.,
Chief Secretary to the Government of
His Highness the Maharaja of Mysore, Bangalore.

Through

C. S. Balasundaram Iyer, Esq., B.A.,
Inspector General of Education in Mysore, Bangalore.

Dear sir,

I understand with extreme regret that the memorial I submitted in November last has not met with favour and that the decision in the matter has been postponed, pending the general revision of the higher grades in the Education Department and the University. In this connection I may be permitted to submit that it has caused extreme surprise and keen disappointment for me to have my prospects in the Department contingent upon those of the Professors in the University who belong to a distinct cadre altogather and whose high appointments and claims to promotion are being settled absolutely irrespective of the claims of men serving in the Department.

My own position in the Department has been brought home to Government more than once and I believe also of the other Circle Inspector. I sincerely trust that Government would concede that pay and prospects of the Circle Inspectors, should be commensurate with the dignity and the responsibilities of the post, more so now when the Deputy Inspector General's post is abolished and his work shared to a considerable extent by the Circle Inspectors.

I submit that it cannot be denied that the Circle Inspectors have been at considerable personal sacrifice discharg-

ing the onerous duties devolving upon them.

As far as my own case is concerned, I was given Rs.450/- personal while I was still the Principal of the Training College along with the Junior Professors of the College. My transfer from a purely tutorial to an executive work, which necessitates the maintenance of a costly establishment and sacrifice of personal comforts has not brought with it any corresponding enhancement of my emoluments. Even the motor car advance was denied to me. My present work makes me to be out of pocket to an extent of more than Rs.80/- a month. Further I may point out that my pay of Rs. 450 does not correspond to any intermediate stage of pay in the grade Rs. 400-20-500.

Under these circumstances, I earnestly pray that Government may be pleased to give me at least the maximum pay of Rs. 500 in the grade and a substantial personal allowance, the amount of which Government may deem fit till the higher grade is sanctioned. I submit that my high professional qualifications and the actual work I have been doing and the position I hold, deserve this concession.

In conclusion, I earnestly solicit the favour of a kindly and sympathetic disposition at the hands of Government to a case which, by its repeated submission, may not be construed as an importunity but as one deserving of a just and equitable disposal.

I have the honour to be,
Dear sir,
Your most obedient servant,

S. S. Ramappa

15th Jany.1923. Circle Inspector.
